**FALL PROFESSIONAL DAY**

- Venue is Santa Maria Public Library on Friday Nov. 1
- Food place in the library can cater. Will get back to Mary with a quote for some breakfast items and lunches. We are hoping to keep costs below \$15 per person.
- Jace has two speakers that can likely talk together about the PR for the SBPL. Elizabeth Bowman (SBCC) has confirmed that she can speak and we can have an open forum timeslot where people can ask questions or talk about what they've been doing.
- Need to send a save the date message. Kristen has emailed the board asking for catchy titles.
- Jace can create a list of questions for the evaluation.
- Ellen will do registration and check in and can create the flyer.
